

# Yin Yoga Teacher Training Retreat Information

*North Stradbroke Island 5<sup>th</sup> – 8<sup>th</sup> June 2020*

Welcome to our Yin Yoga Teacher Training Retreat. Over three days, we will conduct an immersion experience designed to facilitate a deep understanding of Yin Yoga, and install in all attendees the confidence and experience to add this beautiful and important style of healing into their teaching repartee.

Join us at tranquil North Stradbroke Island, a short ferry from Brisbane, as we learn not only to teach Yin Yoga, but more importantly to live a life harmony and balance between our inner Yin and Yang energies. You will connect with other trainees and teachers, explore your inner metaphysics, enjoy classes and meditations, and feel the inspiration from the surroundings of our popular North Stradbroke retreat location.

Before, during and after our training, we offer a lifetime of support and connection. As a trainee and Yin practitioner, you are now fully aligned with your true path and you are assisting with individual and Universal healing. Welcome to your Yin Intensive Teacher Training!

Namaste,

YOUR MY HEALTH YOGA FAMILY
